Vocational Training Centre

A PROJECT OF LIONS CLUB GREATER KAILASH
840/2, CHIRAG DILLI, NEW DELHI-110062

April 14, 2023

To Whom It May Concern

Gyan Aasha centre was set up in 2008 by Lions Club Delhi Greater Kailash, a member of Lions Club International to help underprivileged youth acquire skills and training at nominal costs. The faculty consists of trained teaching staff and volunteers who assist these young people assimilate the knowledge and overcome difficulties.

This certificate is being issued for Arnav Gupta, DOB 25-03-2006, who has been a regular volunteer at our vocational center, Gyan Aasha since August 2022. In February of 2023, he approached us with an interesting proposition. He showed us photographs of a motorized solar tracker, an emission-free device to generate clean and renewable energy that he had built, and reports from other NGOs where it is currently installed. With frequent power cuts being a norm in Delhi, he felt it was the need of the hour for our students and offered to set up one at our institute. We are happy now to be the proud recipients of this device.

As a part of his volunteering, Arnav also helps students from Grades 6 to 10 with their Computer Science, Maths and Science syllabus for 3 hours on most weekends. Over time, we have observed a noticeable improvement in the school grades of these pupils. This is because Arnav has built a strong bond with them and has good communication skills and is disciplined, innovative, and organized in his attitude and patient in his approach.

Arnav is outstanding amongst his peers in his civic mindedness and his desire to identify opportunities to give back to society. We are confident that he will achieve his goals with great success.

With grateful thanks and best wishes for the future,

Yours sincerely

Suneeta Seth
Director
